

SUGGESTED ROUTE TO CLUBHOUSE & CASTING POOL

From 134 Freeway:

Exit freeway at Orange Grove.

Head south (make a right) on Orange Grove to California Boulevard.

Make a right (head west) on California Boulevard.

From 110 Freeway (Pasadena Freeway):

Exit freeway at Orange Grove.

Head north (make a left) on Orange Grove to California Boulevard.

Make a left (head west) on California Boulevard.

When Heading West on California Boulevard:

Take California Boulevard until it dead-ends at Arroyo Boulevard, which skirts the canyon. Make a right on Arroyo Boulevard and head north a short distance to the service road. The service road is the first possible place to turn left off of Arroyo Boulevard, and descends rapidly into the canyon.

Note:

Do not mistake the above referenced *Arroyo Boulevard* with *Arroyo Parkway*, a considerably larger street elsewhere in Pasadena.
